

Mehedi Hasan Shihab

Passport: A12269641 | **Date of birth:** 24/07/2000 | **Place of birth:** Dhaka, Bangladesh |

Nationality: Bangladeshi | **Phone number:** (+880) 1790606985 (Mobile) | **Email address:**

sbshihab2000@gmail.com | **Website:** <https://shihab247.netlify.app/> |

Whatsapp Messenger: +8801790606985 |

Address: House 219/11-12,Road 01 , 1216, Dhaka, Bangladesh (Home)

ABOUT ME

Computer Science graduate with 1 year of hands-on experience in AI and Machine Learning. I have worked with Python, Deep Learning, Computer Vision, and LLM-based systems on real-world projects such as facial emotion recognition, RAG pipelines, and conversational AI applications. I enjoy building practical, data-driven solutions that address real problems and continuously improving my skills through hands-on development.

WORK EXPERIENCE

JUNIOR AI DEVELOPER – JOIN VENTURE AI – 05/02/2025 – Current – DHAKA, BANGLADESH

- Develop and maintain AI-driven applications with a focus on LLM-based systems and automation.
- Collaborate with cross-functional teams to design, test, and improve AI solutions.
- Support system optimisation and deployment workflows in production environments

MACHINE LEARNING ENGINEER INTERN – BONDSTEIN TECHNOLOGIES LTD – 01/12/2024 – 30/01/2025 – DHAKA

- Worked on computer vision tasks, including building a facial emotion recognition model using deep learning.
- Implemented PaddleOCR to detect and extract Bangla vehicle number plates from images.
- Prepared datasets, trained models, and tested performance to improve overall accuracy.

EDUCATION AND TRAINING

09/06/2021 – 04/06/2025 Dhaka, Bangladesh

BACHELOR OF SCIENCE (B.SC.) Green University of Bangladesh

Address Purbachal American City, Narayangan, 1461, Dhaka, Bangladesh | **Website** <https://www.green.edu.bd/> |

Field of study Computer Science and Engineering | **Final grade** 3.25 | **Type of credits** Credits | **Number of credits** 144 |

Thesis Computer Vision-based Real-Time Customers' Satisfaction Recognition from Surveillance Cameras of Supershops Using Deep Learning

01/06/2017 – 17/07/2019 Dhaka, Bangladesh

HIGHER SECONDARY CERTIFICATE (HSC) Govt. Science College

Field of study Science

LANGUAGE SKILLS

Mother tongue(s): **BANGLA**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	C1

● SKILLS

Programming Language

Python | C/C++

Machine Learning & Deep Learning

Keras | Feature Engineering | Evaluation Metrics | Scikit-learn | Model Training | CNN Architectures | PyTorch | Transfer Learning

LLM

Vector Embeddings | RAG | FAISS | TensorFlow | Lang chain

Deployment & Tools

FastAPI | AWS | Docker | Git | GitHub | CI/CD

Databases

MySQL | PostgreSQL

● PROJECTS

Agentic Financial AI Assistant

- Built an autonomous AI assistant capable of analysing expenses and answering financial queries using LLM reasoning.
- Implemented tool-usage workflows for calculations and intelligent decision support.

Link <https://github.com/sbshihab24/Agentic--AI>

IELTS Writing Test & Feedback System

Developed an AI-powered writing evaluation system that simulates IELTS exam conditions with instant feedback. Used LLMs to assess responses across scoring criteria and generate structured improvement suggestions.

Link <https://github.com/sbshihab24/IELTS-Writing-Test>

MedAssist AI

Designed and deployed a medical AI chatbot supporting structured responses and OCR-based report analysis, reducing manual processing time.

- Integrated LLM workflows, OCR-based analysis, and session-based conversation handling.

Link <https://github.com/sbshihab24/Med-Assistant-AI>

● VOLUNTEERING

01/04/2025 – CURRENT Dhaka, Bangladesh

Volunteer & Director of Online Events – AIML Professional Community Bangladesh

- Organised AI and Machine Learning webinars and online events.
- Coordinated speakers and managed event logistics.
- Supported community engagement and AI learning initiatives.

01/06/2024 – 01/07/2025 Green University of Bangladesh, Dhaka

Volunteer Member – IEEE Computer Society Student Branch

Assisted in organizing technical seminars and workshops.
Supported student activities related to computer science and technology.
Participated in IEEE community events.
